

Chief Justice William M. Barker
511 Union Street
Ste 600
Nashville, TN 37219

October 20, 2007

Pursuant to Tennessee Supreme Court Rule 9, section 9.2(a), and pursuant to Tennessee Supreme Court Rule 9, section 9.4 (a) and (b), I request the Chief Justice of the Tennessee Supreme court to appoint a Special Disciplinary Counsel to independently review the complaints mentioned in this letter. Attached is a copy of my twelve page faxed appeal to the chief disciplinary counsel, Nancy Jones. After reading, my twelve page appeal, you should have no problem ordering a special investigation into the DEADLY corruption that has tainted Tennessee "courts". I also want my formal complaints against bill swann to the Tennessee Court of the Judiciary to be investigated as well. I have yet to receive copies of the Tennessee laws Joe G. Riley referenced in his last letter to me.

Fortunately for the children of the state of Tennessee, in the event that you fail to order an investigation; I will EXPOSE the CORRUPTION on my own. As stated previously in my numerous letters; I want my own copy of the audio tape to the "MOCK" May 2004 "court hearing. "judge" lee will PUBLICLY regret her ATROCIOUS decision to not only IGNORE JUDICIAL CORRUPTION; but to put her very own rubber-stamp APPROVAL on it. There have been numerous victims in bill swann's "court since Michael's DEADLY docket was presented to the judges of the Court of Appeals. The fact that these "judges" refused to allow me to file documents under secrecy in the best interest of the public will be duly noted to the public. Any entity "advertising" lee's "opinion" will be directed to Michael's website. Any refusal on your part; will be considered to be your personal rubber-stamp approval on this DEADLY CORRUPTION. I intend for you to provide a copy of this letter and my twelve page appeal to Jones to the clerk of the courts, Michael Catalono. I will NOT be providing a copy to him; I request your office to do so. I thank you in advance for your time.
