RE: Linda Wagner v. Mark Firestone
Knox County Fourth Circuit No. 80469

Dear Mr. Sholly:

In the above matter I have submitted a motion for pendente lite attorney fees that the court will hear next Friday, 25 May 2001. Your final and total billing for services rendered Ms. Wagner in the above cause are thus hereby requested that we may include that amount in our request to the court.

Also, you had offered to provide us with an affidavit recounting the myriad difficulties experienced in trying to obtain discovery. As final hearing draws closer, I would appreciate your drafting such an account.

Sincerely,

Roland E. Cowden
