Dear Ms. Wagner:

I have received your most recent facsimiles and communications. I will be more than happy to contact Stogsdill directly by phone to tell them to release the transcript to you if that is all I need to do. If I actually need to write a letter to them will you let me know that as well. Finally, I am under extreme stress right now at my office as I am replacing my current legal assistant with another one and I need some more time to get the affidavit together. If you would, please give me until the end of July, I would appreciate it.

Sincerely,

John T. Sholly
